NDRRMC UPDATE

**Sitrep No. 04 re Preparedness Measures and Effects for
Typhoon "ULYSSES" (I.N. VAMCO)**

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 14 November 2020, 5:00 PM

Sources: DOST-PAGASA, DILG, DSWD, DPWH, DOH, BFP, DA, OCDROs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR

I. SITUATION OVERVIEW

08 November 2020

At 10:00 PM, The Low Pressure Area East of Mindanao has developed into Tropical Depression "ULYSSES".

09 November 2020

At 2:00 PM, "ULYSSES" intensified into a Tropical Storm. Its center was estimated at 575 km East of Borongan City, Eastern Samar with maximum sustained winds of 65 km/h near the center and gustiness of up to 80 km/h moving northwestward at 15 km/h.

At 10:00 PM, TS "ULYSSES" maintained its strength while moving over the Philippine sea. TCWS No. 1 was hoisted in the eastern portion of Camarines Sur, the eastern portion of Albay, Catanduanes, the northeastern portion of Sorsogon, and the eastern portion of Northern Samar.

10 November 2020

At 4:00 AM, "ULYSSES" had slowed down while moving northwestward. TCWS No. 1 was in effect in Catanduanes, Camarines Norte, Camarines Sur, Albay, Sorsogon, the eastern portion of Masbate including Ticao and Burias Islands, the southeastern portion of Quezon, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar. Strong breeze to near gale conditions is currently prevailing or will affect these localities within 36 hours of hoisting of the wind signal.

At 4:00 PM, TS "ULYSSES" intensified further as it continues to move northwestward. TCWS No. 2 is in effect in Catanduanes, Sorsogon, Albay, Camarines Sur, and the eastern portion of Camarines Norte while **TCWS No. 1** is hoisted in Quirino, Nueva Vizcaya, the eastern portion of Pangasinan, Aurora, Nueva Ecija, Tarlac, Pampanga, Bulacan, the central and southern portions of Zambales, Bataan, Quezon including Polilio Islands, Metro Manila, Rizal, Laguna, Cavite, Batangas, the rest of Camarines Norte, Masbate including Ticao and Burias Islands, Marinduque, Romblon, Oriental Mindoro,

Occidental Mindoro including Lubang Islands, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

At 7:00 PM, “ULYSSES” intensified into a Severe Tropical Storm. TCWS No. 2 is also in effect in the central and southern portions of Quezon including Polilio Islands, Burias and Ticao Islands, and Marinduque while the provinces of Mountain Province, Ifugao, Benguet, La Union, the central and southern portion of Isabela, Zambales, the rest of Quezon, and the rest of Masbate was put under **TCWS No. 1**.

At 10:00 PM, STS “ULYSSES” is now moving westward towards Southern Luzon. TCWS No. 2 is hoisted in the central and southern portion of Aurora, the southeastern portion of Nueva Ecija, the northern and eastern portion of Bulacan, Metro Manila, Rizal, Laguna, Quezon including Polilio Islands, Marinduque, Camarines Norte, Camarines Sur, Catanduanes, Albay, Sorsogon, Ticao Island, and Burias Island while **TCWS No. 1** is in effect in Isabela, Quirino, Nueva Vizcaya, Kalinga, Mt. Province, Ifugao, Benguet, Abra, Ilocos Sur, La Union, Pangasinan, the rest of Aurora, the rest of Nueva Ecija, Tarlac, Zambales, Bataan, Pampanga, the rest of Bulacan, Cavite, Batangas, Occidental Mindoro including Lubang Island, Oriental Mindoro, Romblon, the rest of Masbate, Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

11 November 2020

At 10:00 AM, “ULYSSES” intensifies into a Typhoon while moving closer towards Quezon-Aurora Area. TCWS No. 3 is hoisted in the southern portion of Aurora, the southern portion of Nueva Ecija, the eastern portion of Pampanga, Bulacan, Metro Manila, Cavite, Laguna, Rizal, the northern and central portions of Quezon including Polillo Islands, Catanduanes, Camarines Norte, the northern portion of Camarines Sur, **TCWS No. 2** is hoisted in The central and southern portions of Quirino, the central and southern portions of Nueva Vizcaya, the southern portion of Benguet, the southern portion of La Union, Pangasinan, Zambales, Bataan, Tarlac, the rest of Pampanga, the rest of Nueva Ecija, the rest of Aurora, Batangas, the rest of Quezon, Marinduque, the northern portion of Occidental Mindoro including Lubang Island, the northern portion of Oriental Mindoro, the rest of Camarines Sur, Albay, Sorsogon, and Burias and Ticao Islands and **TCWS No. 1** is in effect in Isabela, the rest of Quirino, the rest of Nueva Vizcaya, Kalinga, Mountain Province, Ifugao, the rest of Benguet, Abra, Ilocos Sur, the rest of La Union, the rest of Occidental Mindoro, the rest of Oriental Mindoro, Romblon, and the rest of Masbate. Northern Samar, the northern portion of Samar, and the northern portion of Eastern Samar.

At 10:30 PM, TY “ULYSSES” made landfall in the vicinity of Patnanungan, Quezon. Its maximum sustained winds of 150 km/h near the center and gustiness of up to 205 km/h moving West Northwestward at 15 km/h.

At 11:20 PM, the center of the eye of Typhoon “ULYSSES” made its second landfall in the vicinity of Burdeos, Quezon.

12 November 2020

At 1:40 AM, TY “ULYSSES” made its third landfall in the vicinity of General Nakar, Quezon.

At 4:00 AM, “ULYSSES” moves inland and is now in the vicinity of Southwestern Nueva Ecija. Destructive winds and heavy to intense with at times torrential rainfall associated with the region of inner rainbands and eyewall of the typhoon will be experienced over central and southern portions of Aurora, the northern portion of Quezon including Polillo Islands, Nueva Ecija, Bulacan, Tarlac, Pampanga, Pangasinan, Zambales, Bataan, Metro

Manila, and Rizal within the next three hours. Moderate to heavy damage to infrastructure and vegetation is expected.

At 10:00 AM, TY “ULYSSES” maintains its strength and is now over the West Philippine Sea, west of Zambales. TCWS No. 3 is still hoisted in the western portion of Pangasinan, Zambales, Bataan, Tarlac, and Pampanga, while **TCWS No. 2** is still in effect in the central and southern portion of Isabela, Quirino, Nueva Vizcaya, Mt. Province, Ifugao, Benguet, the southern portion of Ilocos Sur, La Union, the rest of Pangasinan, Aurora, Nueva Ecija, Bulacan, Metro Manila, Cavite, Rizal, Laguna, Batangas, the northern and western portions of Quezon including Polilio Islands, the northwestern portion of Oriental Mindoro, and the northwestern portion of Occidental Mindoro including Lubang Island and **TCWS No. 1** is still hoisted in the rest of Isabela, Kalinga, Abra, the rest of Ilocos Sur, the rest of northern portion, Oriental Mindoro, the rest of northern portion of Occidental Mindoro, and the central portion of Quezon. TCWS in other areas was lifted.

At 10:00 PM, TY “ULYSSES” maintains its strength as it continues to move westward. All TCWS was lifted.

13 November 2020

“ULYSSES” re-intensifies into a Typhoon and is now outside the Philippine Area of Responsibility (PAR). At 10:00 AM today, the center of the eye of TY “ULYSSES” was located based on all available data at 500 km West of Iba, Zambales (OUTSIDE PAR).

II. EFFECTS

A. INCIDENTS MONITORED (TAB A)

A total of **262 incidents** were monitored in Regions I, II, III, CALABARZON, MIMAROPA, V, CAR, and NCR due to TY “ULYSSES”:

TYPE OF INCIDENT	NO. OF INCIDENTS
Flooding	173
Landslide / Soil Collapse	38
Maritime	2
Uprooted Tree / Fallen Posts	22
Storm Surge Incident	1
Collapsed Structure Incidents	2
Fallen debris	1
TOTAL	262

B. AFFECTED POPULATION (TAB B)

A total of **285,978 families or 1,110,910 persons** in **3,811 barangays** in Regions I, II, III, CALABARZON, MIMAROPA, V, NCR, and CAR were affected. Of which, **80,858 families / 306,340 persons** are being served inside **2,983 evacuation centers** while **16,675 families / 63,536 persons** are being served outside evacuation centers.

Sources: DSWD DROMIC Report No. 7 and OCD ROs II and MIMAROPA

C. CASUALTIES

A total of **37 dead, 22 injured, and 15 missing** persons were reported in Regions II, CALABARZON, V, and CAR.

Source: OCD ROs

Note: Subject for further validation and verification.

D. STATUS OF LIFELINES

1. Roads and Bridges (TAB C)

A total of **216** road sections and **99** bridges in Regions I, II, III, CALABARZON, V, VIII, NCR and CAR are affected by flooding, mudflow, landslide, swollen river, and soil/rock collapse. Of which, **175** road sections and **94** bridges are not passable.

Sources: DPWH, OCDROs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR

2. Status of ports

A total of **330 passengers and 184 rolling cargoes** are reportedly stranded in the different ports of CALABARZON and MIMAROPA. Moreover, **55 vessels and 14 motorbancas** are currently taking shelter to the different ports within the said regions.

III	163,581,307.00
CALABARZON	698,862,943.00
V	5,213,172.00
CAR	26,973,443.00

2. Damage to Infrastructure

An estimated **₱253,100,000.00** worth of damage to infrastructure was incurred in Region I and MIMAROPA.

Source: OCDROs

Note: Figures are still subject to change due to ongoing assessment and validation.

F. DAMAGED HOUSES (TAB F)

A total of **3,013 houses** were damaged (**305-totally / 2,708-partially**) in Regions I, CALABARZON, V and CAR.

Source: DSWD DROMIC Report No. 7

G. SUSPENSION OF WORK AND CLASSES

- Work in government offices and classes in public schools at all levels in Regions II, III, CALABARZON, MIMAROPA, V, CAR, and NCR are suspended effective 11 November 2020, 3:00 PM per OP MC No. 82.
- Classes in all levels, both public and private, were suspended in the following areas:

REGION	DATE	REMARKS
II	13 November 2020	Cauayan City, Isabela
CALABARZON	11 November 2020	Region-wide
MIMAROPA	11 November 2020	Region-wide
REGION V	11 November 2020	Region-wide
CAR	11 November 2020	Region-wide
NCR	11 November 2020	Paranaque City
		Manila City
		Caloocan City

H. DECLARATION OF STATE OF CALAMITY

The Province of Cavite (CALABARZON) was placed under state of calamity through Resolution No. 1628-2020.

III. DISASTER PREPAREDNESS AND RESPONSE (TAB G)

A. PRE-EMPTIVE EVACUATION

A total of **64,552 families / 231,312 persons** were pre-emptively evacuated in Regions I, II, III, CALABARZON, MIMAROPA, V, and VIII

B. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Prepared a total **56** Emergency Alert and Warning Message (EAWM) for dissemination of Telecommunication Companies to the affected areas.

C. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

D. COST OF ASSISTANCE

A total of **₱14,064,055.75** worth of assistance was provided, of which, **₱13,831,226.75** from **DSWD**, **₱466,879.00** from **LGUs** and **₱1,950.00** from other private partners:

REGION / PROVINCE / MUNICIPALITY	COST OF ASSISTANCE			
	DSWD	LGU	OTHERS	GRAND TOTAL
GRAND TOTAL	13,831,226.75	466,879.00	1,950.00	14,064,055.75

Source: OCD-ROs Situational Reports as of 12 Nov. 2020
 Note: Changes in figure may change upon validation of DILG

B. NATIONAL DRRM COUNCIL (NDRRMC)**1. NDRRM Operations Center (NDRRMOC)**

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring and ensure dissemination of Weather Advisories, and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media websites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Prepared a total of **123 Emergency Alert and Warning Message (EAWM)** for dissemination of Telecommunication Companies to the affected areas for TY "ULYSSES"

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

- a. Continuous weather monitoring and provision of weather updates.

3. Department of the Interior and Local Government (DILG)

- a. Continuously provided all available information to all concerned DILG Regional and Field Offices regarding the TS ULYSSES through texts and emails such as PAGASA's Global Spectral Model/Weather Research Forecasting Model Forecast Rainfall, Severe Weather Bulletins and Tropical Cyclone Warning for Shipping; and MGB's Updated Barangay List of LGUs Prone to Landslide, Debris Flow and Flood.
- b. DILG CODIX attended the NDRRMC Emergency Meeting for TS "ULYSSES".
- c. Issued a memorandum on the activation of the Disaster Online Reporting and Monitoring System (DORMs) for Tropical Depression (now Tropical Cyclone) "ULYSSES" in DILG Regions CAR, NCR, I, II, III, CALABARZON, MIMAROPA, V, VI, VII and VIII.
- d. Informed and recommended to regional and field offices to activate concerned BDRRMCs for early warning measures, vigilant monitoring, and intensify the use of social media platforms for public information, and implement pre-emptive evacuation in areas with high to very high susceptibility to storm surge, floods and landslide.

DILG Regional Level

- Coordinated with Provincial and Field Offices on the status of the pre-emptive evacuation in the affected LGUs
- Assessed preparedness measures of all affected LGUs
- Concerned ROs participated in the RDRRMC Pre-Disaster Risk Assessment meeting for TY "ULYSSES"
- Constant monitoring of the weather condition and updates to the LGUs through the C/MLGOOs
- Disseminated advisories received from PAGASA and CODIX
- Disseminated list of Barangays susceptible to flooding and landslides from the MGB
- Monitored critical preparedness actions of the LGUs within their respective jurisdictions
- Continuous monitoring of weather bulletins and critical cyclone track chart and dissemination of same to Provincial and Field Offices
- Submitted updates and situational reports to the SILG thru DILG-CODIX

LGU Level

- Activated all BDRRMCs, prepositioned necessary supplies and prepared evacuation centers, are on full alert and continuously monitoring, disseminating weather updates to the communities.
- Informed Punong Barangays of weather advisories and other relevant information.
- Conducted clearing operations of line canals along national highways, inspected bridges suspended port operations.
- Placed all heavy equipment, and emergency and rescue equipment on standby.
- Prepositioned and initiated response operations such as deployment of search and rescue teams to affected areas.

- Prepositioned and distributed relief goods and other assistance to evacuees in affected areas.
- Conducted pre-emptive evacuation in affected areas.
- Continuous monitoring of weather advisories and bulletins within its locality and situation through social media platform, radio, and TV.

4. Bureau of Fire Protection (BFP)

- Issued memorandum addressed to BFP Regional Offices dated 30 October 2020 re Reiteration of the Intensification of OPLAN PAGHALASA and Observance of Precautionary Measures in Response to the Effects of Weather Disturbance.
- Assigned DO personnel to monitor situational reports of all regions every six hours.
- Continuous coordination with respective DRRMCs and other agencies and monitoring of the AOR for flood and landslide-prone areas.

5. Philippine National Police (PNP)

- Raised the alert status to RED in all PROs.
- Activated the Reactionary Standby Support Force (RSSF) and the Natural Disaster Operations Center (NDOC).
- Coordinated with the different LAO Clusters.
- Issued advisories to affected Regions.
- Assisted DRRMOs in conducting force evacuation to all low-lying areas.

PROs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, NCRPO

- Activated its respective RDIMTGs.
- Provided security to main supply routes and to all members of responding emergency response clusters.
- Deployed personnel in evacuation areas and vacated areas.
- Placed SRR personnel on standby.

6. Department of Social Welfare and Development (DSWD)

- The DSWD Central Office (CO), Field Offices (FOs), and National Resource Operations Center (NROC) have stockpiles and standby funds amounting to **₱1,474,959,503.71**.

• Standby Funds

A total of **₱888,627,488.37 standby funds** in the CO and FOs. Of the said amount, **₱847,262,513.19** is the available **Quick Response Fund (QRF)** in the CO.

• Stockpiles

A total of **275,591 family food packs (FFPs)** amounting to **₱123,439,271.24**, **other food items** amounting to **₱187,164,236.90** and **non-food items (FNIs)** amounting to **₱275,728,507.30** are available.

Source: DSWD DROMIC Report #5 on TY "ULYSSES"

- b. Placed the Disaster Response Management Bureau (DRMB) on RED alert status to closely coordinate with the concerned field offices for significant disaster response updates
- c. Placed all QRT members and emergency equipment on standby and ready for deployment.

7. Department of Agriculture (DA)

- a. Activated the DA Regional DRRM Operations Center.
- b. Coordinated with Local Government Units and other Regional DRRM related offices for the monitoring of TS "ULYSSES".
- c. Coordinated with water management-related agencies for flood risk monitoring and dam water release.
- d. Monitored actual field situation for possible damage that may be incurred in crops and livestock.
- e. Prepositioned seeds of rice and corn, drugs, and biologics for livestock and poultry.
- f. Continuous dissemination of advisory to the APCOs, LGUs, and farmer leaders for them to disseminate the same information to the community and local farmers relative to its farm operation activities.
- g. DA Regional Field Offices prepared the following interventions for the affected farmers and fisherfolks:
 - A total of 104,544 bags of rice seeds; 10,223 bags of corn seeds, and 1,149 kgs of assorted vegetables from DA RFO
 - Survival and Recovery (SURE) Loan Program of Agricultural Credit Policy Council (ACPC)
 - Indemnification fund from Philippine Crop Insurance Corporation (PCIC) to pay for the losses incurred

8. Department of Health (DOH)

- a. Continuous monitoring of all Regions relative to the weather disturbance.
- b. Advised all Regional Offices to report any untoward incident related to the weather disturbance.
- c. **Provided hygiene kits, collapsible water containers, assorted medicines, and face masks to MM-CHD and CHD CALABARZON.**
- d. **Coordinated with OCD-MIMAROPA for the request of generator sets.**
- e. **WASH and MHPSS Teams from DPCB are on standby status.**
- f. **One Hospital Command Center (OHCC) facilitated the transfer of some patients to the hospital.**

- g. Vehicles on standby to transport oxygen tanks to Amang Rodriguez Medical Center.

9. Department of Public Works and Highways (DPWH)

- a. Deployed DPWH personnel and maintenance crew to affected areas.
- b. Installed warning signs and travel advisory.
- c. Facilitated the ongoing rehabilitation and clearing operations.

CAR	83	823
Region I	102	102
Region II	104	724
Region CALABARZON	104	859
Region V	90	435
TOTAL	483	2,943

Source: DPWH Executive Summary for TY "ULYSSES" as of 12 Nov, 2020

10. Department of Education (DepEd)

- a. Coordinated with the exposed region on schools with class suspension due to TY "ULYSSES".
- b. Directed field offices to closely coordinate with LGUs for local inter-agency actions to be taken.
- c. Monitored schools on their preparedness measures as per DO 83 s. 2011 and DM 108 s. 2016 and in connection to the ongoing COVID-19 pandemic.
- d. Disseminated advisories from DOST-PAGASA and IECs on Preparedness Measures for Tropical Cyclones, Storm Surge, and Flood to exposed and affected region.

C. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs I, II, III, CALABARZON, MIMAROPA, V, VIII, CAR, and NCR are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC I

Office of Civil Defense (OCD) I

- a. Continuous coordination with RDRRMC I member-agencies and PDRRMCs.
- b. Continuous monitoring the AOR.

DILG I

- a. Sent weather advisories and critical cyclone track charts to the Provincial Offices.
- b. Activated the reporting and monitoring for TS "ULYSSES".
- c. Monitored DORMs for TS "ULYSSES".

DSWD I

- a. Prepositioned a total of 7,334 family food packs (FFPs) amounting to ₱3,657,833.94 at different strategic locations:

PROVINCE/CITY/MUNICIPALITIES	NO OF FFPs	AMOUNT (₱)
Batac City Satellite Warehouse, Ilocos Norte	451	223,234.14
Bantay Satellite Warehouse, Ilocos Sur	562	211,952.68

DSWD FO I Regional Warehouse, City of San Fernando, La Union	5,521	2,814,647.12
Urdaneta City Satellite Warehouse, Urdaneta City, Pangasinan	800	408,000.00
TOTAL	7,334	₱3,657,833.94

- b. Prepositioned a total of 14,129 non-food items amounting to ₱22,017,018.25 at different strategic locations.
- c. Ensured for the availability of quick response fund amounting to a total of ₱6,692,055.20, ready for disaster operations use.
- d. Placed DSWD FO1 IMT on duty while other DSWD staff are on standby for possible augmentation.
- e. [IMT branches are in close coordination with the different P/C/MDRRMCs and P/C/MSWDOs.](#)
- f. [Continuously monitoring the effects of TY ULYSSES.](#)

Bureau of Fisheries and Aquatic Resources (BFAR) I

- a. Activated the Regional Command Center and Provincial Command Centers.
- b. Implemented preparedness measures by all operating units.
- c. Continuous monitoring of fisheries projects, products facilities, and reporting by concerned PCs.
- d. [Monitoring damages and conducting loss assessment.](#)
- e. [Validation and verification of damage reports.](#)

Coast Guard Northwestern Luzon

- a. Ensured readiness of its Deployable Response Group (DRG).
- b. Inspected the state of readiness of equipment and personnel.

Department of Health – Center for Health Development (DOH-CHD) I

- a. Coordinated with the RDRRMC, Provincial DOH Offices (PDOHOs), and DOH Retained Hospitals within the Region.
- b. Placed the Operations Centers of the four (4) PDOHOs on an 8-hour duty and ensure the coordination with its respective PDRRMCs.
- c. Placed the Public Health Teams on standby for possible deployment.
- d. Ensured availability of equipment, supplies, drugs, and medicines for health emergency management.
- e. Placed the DOH Retained Hospitals on 24-hour duty to attend to casualties related to TD “ULYSSES”.
- f. Estimated cost of current inventory of equipment, supplies drugs and medicines is amounting to ₱2,874,633.55.
- g. [On CODE BLUE ALERT for TY ULYSSES.](#)
- h. [Operation Centers of four \(4\) PDOHOS on 24/7 operation.](#)

DPWH I

- a. Activated the Regional/District DRRM Teams.
- b. Continuous monitoring of the AOR and conducted maintenance activities.
- c. Prepositioned QRAs at staging areas for any eventualities.

National Food Authority (NFA) I

- a. Ensured the availability of rice supply.

Mines and Geosciences Bureau (MGB) I

- a. Continuous dissemination of List of Barangays Susceptible to Flood and Landslide based on the DOST-PAGASA rainfall data.

Naval Force North Luzon (NFNL)

- a. Convened battle staff and conducted planning and preparation in connection with TS "ULYSSES".
- b. Placed resources on standby and conducted inventory of DRRT equipment.
- c. Alerted one DRR team and one KM450 with DRRT trailer for possible deployment.
- d. Placed on RED Alert status.

Police Regional Office (PRO) I

- a. Activated the respective DIMTG as the situation may require.
- b. Coordinated with local DRRMCs.
- c. Reminded all responders to secure/evacuate their family to safety before disaster strikes.
- d. Strengthened resilience of emergency telecommunications.
- e. Ensured readiness of the Search, Rescue and Retrieval (SRR) equipment and supplies to support operational requirements.
- f. Prepositioned Search and Rescue assets.

702nd IB

- a. Provided manpower and transportation assistance.
- b. Augmentation on food repacking and distribution operations.
- c. Conducted patrolling operations.

PDRRMC Ilocos Norte

- a. Activated respective BDRRMCs and enjoin all residents to actively participate in community flood mitigation activities.
- b. Assigned Barangay Health Workers to regularly monitor the health conditions of vulnerable groups.
- c. Advised residents to prohibit children from swimming in swollen rivers and creeks and to limit outside exposure and stay indoors during a heavy downpour.
- d. Enforced "No Fishing Policy" when gale warning is issued.
- e. Ensured the functionality of equipment, maintain database, and activate local rescue teams and other emergency resources for immediate deployment.

PDRRMC Pangasinan

- a. Alerted PDRRMC Response Cluster to prepare for possible augmentation and deployment.
- b. Continuous monitoring of the situation in the province.
- c. Placed Incident Management Team and SAR team on standby.
- d. Pre-deployed rescue boats.
- e. Informed all Mayors and LDRRMOs through Smart Messaging Suite re raising of alert status and encouraged same for the conduct of PDRA.
- f. Disseminated preparedness and advisories through Tri-Media and social media.
- g. Prepared relief or food packs ready for distribution
- h. Placed logistics on standby mode
- i. Raised status into BLUE alert in the Province of Pangasinan on 10 November 2020, 7:00PM.
- j. Informed LDRRMOs through Smart Messaging Suite re raising of alert status
- k. Conducted PDRA on 11 November 2020, 9:00 AM
- l. Alerted PDRRMC Response Cluster to prepare for possible augmentation and deployment

- m. Continuous monitoring of the situation in the province (Weather, San Roque Dam, River
- n. system)
- o. Continuous monitoring of PAGASA weather advisories and typhoon bulletins
- p. Incident Management Team on standby for possible deployment
- q. Pre-deployed rescue boats and placed SAR team on standby for possible deployment
- r. Prepositioned Relief pack 17,370 packs and Noodles 1,400 packs.
- s. WASAR Team and Special Rescue Unit on standby.
- t. Conducted of roving along Lingayen-Binmaley beach front at 11AM of 11 November 2020
- u. Issued PDRRMC Memorandum No. 2020-04: Preparedness Measures ICOW Severe Tropical Storm "ULYSSES" dated 11 November 2020
- v. Advised all LDRRMOs thru text blast to conduct roving in their AOR to ensure information dissemination of weather advisory and gale warning 2:00 PM of 11 NOVEMBER 2020: Raised alert status from Blue Alert to RED ALERT

MDRRMC Agno

- a. Public Advisories to coastal barangays, residents on low-lying areas and near river and residents in mountainous areas.
- b. Continuous monitoring weather updates thru the Provincial DRRM Facebook Account, PAGASA DOST and other weather update advisories.
- c. Disseminated weather updates thru text blast and MDRRM Office Facebook page.
- d. Activated BDRRMCs.
- e. Prepositioned all rescue equipment and paraphernalia are and on stand-by.

MDRRMC Aguilar

- a. Activated the EOC.
- b. Emergency response units on standby.
- c. Closely coordinating with MDRRMC Member Agencies.
- d. Continuously disseminating warning information.
- e. Activated evacuation centers and prepositioning of emergency supplies.

CDRRMC Alaminos

- a. Placed all response personnel with supplies and equipment on standby and ready for deployment.
- b. Disseminated weather updates through quad media.
- c. Implemented force evacuation on areas with high susceptibility to storm surge.
- d. Deployed IMTs and manned ICP.
- e. Activated RDANA Team.

MDRRMC Balungao

- a. Alerted all the MDRRMO personnel on preparedness and advisories regarding STS "ULYSSES".
- b. Coordinated with the BDRRMCs to monitor their areas.
- c. Prepared all the WASAR Team with their rescue equipment to standby.
- d. Prepared all the evacuation centers in case of pre-emptive evacuation.
- e. Placed LDRRMO on Blue alert status on 10 November 2020, 10:09 PM.
- f. Continuous monitoring of the situation within the AOR.

- g. Placed WASAR Team on standby prepared with their rescue equipment and ready to respond to emergency cases.
- h. Ensured for the strict monitoring of PAGASA weather updates and bulletins, San Roque Dam, and ARFFWS advisories.
- i. Disseminated information to BDRRMCs on preparedness and advisories issued by the provincial government through text messaging and social media.
- j. Coordinated with all BDRRMC of Balungao.

MDRRMC Bani

- a. Conducted PDRA Meeting 11 November 2020, 1:00 PM
- b. Raised the alert status of the EOC to RED.
- c. LCE ordered personnel from MDRRMO, PNP, BFP, MHO, DILG, MEO to be on standby for possible response
- d. Activated BDRRMC to be on standby for possible response and continuous submission of Situational Report through social media and SMS
- e. Activated Camp managers and SAR Team to be on standby for possible response
- f. Activated Emergency Operation Center. Incident Command Team on standby at EOC.
- g. Prepared Rooms at Municipal Evacuation Center and (cleaning and disinfecting)
- h. Prepared Poblacion Senior Citizen Building as designated evacuation center as needed.
- i. Conducted inventory of available food items and relief packs to be used in the community kitchen in coordination with MSWD
- j. Continuous monitoring on weather updates/advisories from DOST-PAGASA and Local News Channels.
- k. Disseminated weather information through social media and text blast.
- l. Identified high risk areas and gave warnings to affected individuals
- m. Conducted inventory and Prepositioning of rescue assets.
- n. Prepared rescue boat and on standby at the Municipal Hall
- o. Placed all rescue vehicles and responders on standby and ready for possible response.
- p. Prepositioned supplies at evacuation centers
- q. Conducted inventory of food items and food packs to be used for community kitchen.
- r. Purchased necessary supplies needed for community kitchen.
- s. Prepositioned equipment and supplies in evacuation centers to accommodate possible evacuees while maintaining standard health protocols.
- t. Notified Health Office Personnel to be on standby for possible response and monitoring at evacuation centers.
- u. [Established charging centers at Municipal Hall.](#)
- v. [Deployed roving teams to monitor the conditions of the barangays.](#)

MDRRMC Bautista

- a. Conducted PDRA.
- b. Disseminated preparedness information and advisories through telephone calls, social media (FB account) and ADRIS (Automatic Disaster Response Information System) text blast to ensure public safety
- c. Continuous monitoring of PAGASA's weather bulletin, OCD and PDRRMC.

- d. Disseminated information and advisories to all barangay officials and other concern agencies.

- e. Reminded tourist's areas to postpone activities such as hiking, surfing, caving and the like until the low-pressure area has dissipated.
- f. Placed Deployable Response Unit personnel on standby and put up additional quarantine facility in preparation for typhoon season
- g. PCG medical provided appropriate number of medical supplies to be utilized by PCG Palawan personnel.
- h. Continuous monitoring of weather updates

AFP WESCOM

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Alerted JTF-ICARE (PAF-led) to monitor and track the low-pressure areas and Southwest Monsoon.
- c. JTF-ICARE, in coordination with other AFP units and LGUs/LDRRMC, to monitor areas that are prone to landslide and flooding for pre-emptive evacuation and SRR operations.

- d. Accounted and inspected disaster response teams (DRTs) and HADR equipment of all JTF-ICARE units (18 DRTs and 265 personnel).
- e. Ensured the disposition of air and naval assets:
 - Available AFP assets within Palawan: Three (3) AS-211, One (1) C-90, Seven (7) naval ships
 - Available AFP aircraft outside Palawan: C-130, C-295, NOMAD, CUH, PAF HUEY

AFP (SOLCOM, 2nd ID, 203rd Bde)

- Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- Ensured the availability of assets and Disaster Response Unit (personnel).
- Coordinated with the Local Government Units within AOR.

PIA MIMAROPA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Sourced out weather forecast and advisories.
- c. Disseminated weather forecasts through News on the Go SMS version (AM releases) and sitreps of provincial information center managers.

DPWH MIMAROPA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Continuous monitoring of all road network.
- c. Reactivated DRRMT and deployed maintenance crew facilities and equipment in various road sections prone to landslide, flood on possible road section to be affected.

DA MIMAROPA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Identified vulnerable areas / areas of standing crops.
- c. Ensured the conduct of ongoing rehabilitation projects (rice seed, vegetable seed, urea fertilizer, inoculant fertilizer, and seedling).

DOST-PAGASA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Presented the track of Typhoon “ULYSSES”, what to expect and Updates on the LPA East of Mindanao

DENR - MGB and NEDA MIMAROPA

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.

PDRRMC Oriental Mindoro

- a. Conducted PDRA Meeting for Typhoon “ULYSSES” on October 30, 2020/ 1:00PM.
- b. EOC maintained activation 24/7
- c. Monitored the track of weather bulletin, untoward incident coordinate with MDRRMOs re weather updates and untoward incident on their AOR.
- d. Collated reports from LGUs/MDRRMOs and PDRRMC members.
- e. Prepared situational report.
- f. Prepared purchase requests for food supplies (400 sacks of rice)

- g. Prepared rescue equipment and conducted radio communication testing.
- h. Coordinated with PSWDO re stockpile/food supplies.
- i. Coordinated with PNP, PA and ARESKOM re DRO.
- j. Coordinated with DPWH and other concerned agencies re available equipment and other resources.

CDRRMC Calapan

- a. Joined the RDRRMC MIMAROPA PDRA Meeting via teleconference on 10 November 2020.
- b. Coordinated with City Education and DepEd Calapan City Division and with other CDRRM Council Members.
- c. Prepositioned rescue equipment to flood prone Barangays.
- d. Consolidated the list of evacuees per Barangays, profiling of Public and Private Schools.
- e. Conducted inventory of evacuation center.

PDRRMC Occidental Mindoro

- a. Attended the PDRA Core Group meeting via teleconference on October 20 2020.
- b. Continuous dissemination Severe Weather Bulletin/Thunderstorm Advisory to LDRRMCs thru radio station, text blast, GC, FB account to ensure widest dissemination.
- c. Close coordination w/ response agencies and MLGUs regarding updates and possible effects of TY "ULYSSES"
- d. Prepositioned 1,800 food packs to different PGO/PDRRMO sub- offices
- e. Coordinated MDRRMOs on the preparation of their evacuation centers, prepositioning of food packs, equipment, and other necessary requirements for the Typhoon "ULYSSES".
- f. PGO/PDRRMO sub-offices conducted preparedness meeting.
- g. Advised all MLGUs to conduct PDRA & preparedness actions considering health risks associated w/ COVID-19. Response clusters are on standby mode.
- h. Advised PDNA team for possible deployment,
- i. Standby logistics such as service/emergency vehicles at PGO/PDRRMO main and sub-offices.
- j. Alerted PQRTs on the possible response operations.
- k. Rendered 24/7 duty at PDRRMO Operation Centers.
- l. Advised Camp Management Team for advance response actions.
- m. Ensured the 210 modular tents for the camp management readily available in support to Municipal ECs, and rubber boats to support in the response operations of logistics and SRR cluster.
- n. Strengthened radio communication at island Municipalities (Lubang and Looc) to enhance their communication capabilities during response operations.
- o. Ensured that PPEs and tools for PQRTs and Provincial Volunteers readily available at all PDRRMO Sub-offices, and likewise, PPEs such as face masks and face shield are available at EOC in support to evacuees.
- p. Alerted the provincial manage hospital on their preparedness action regarding the possible effect of Typhoon "ULYSSES".
- q. Joined the ongoing virtual monitoring of RDRRMC via Zoom.

MDRRMC San Jose

- a. Placed the EOC on RED alert status.
- b. Conducted inventory of all equipment, prepositioning relief goods, and other logistical requirements.
- c. Conducted flood and water level monitoring.

- d. Ensured that IMT are fully operational and Response Teams on standby.
- e. Implemented the No Sailing Policy.
- f. Conducted pre-emptive evacuation.
- g. Deployed clearing operations and transportation teams in evacuation centers.

MDRRMC Sablayan

- a. Conducted PDRA on 10 November 2020.

- g. Issued Memorandum No. 2 – Suspension of Work in Government Offices
- h. Established Incident Command Post in Buhi to facilitate evacuation, camp management, and other IMT operations.
- i. Continued operations of the Provincial Emergency Operations Center (EOC) and activation of the Provincial Incident Management Team (PIMT) .
- j. Issued Memorandum No. 1 – Red Alert Status
- k. Conducted ocular inspection of landside areas in Buhi – Iraya and Ipil

- l. Activated the special communications group that disseminates information and warning advisories relative to the weather disturbance down to the 1,036 barangays of the province, 35 Municipal DRRMOs, and 1 City DRRMO.

PDRRMC Catanduanes

- a. Conducted PDRA at the Provincial and Municipal level.
- b. Conducted inventory and repositioned assets.
- c. Activated the City/Municipal DRRM Operation Centers and is placed for 24/7 monitoring.
- d. Alerted flood, landslide and storm surge prone barangays.
- e. Issued memorandums for Disaster preparedness measures.
- f. Continuous monitoring & cascading of weather updates.
- g. Disseminated warning/alerts/advisories from PAGASA MWS to PDRRMC member agencies, MDRRM Officers, and to the general public.
- h. Coordinated with key PDRRMC member agencies and MDRRM Officers to closely monitor its respective AOR.

PDRRMC Masbate

- a. All Members of the PDRRM Council have prepared all the necessary resources needed for immediate response.
- b. Activated the EOC and 24/7 OpCen of PDRRMO Masbate and the different BDRRMS.
- c. Close monitoring with PAGASA for latest weather updates.
- d. Close monitoring with all C/MDRRMOs of the Province of Masbate for their reports.
- e. Issued order for pre-emptive evacuation.
- f. Prepositioned assets and stocks.

PDRRMC Sorsogon

- a. Dispatched relative information and updates obtained from PAGASA;
- b. Coordinated with different Council Members on preparedness implemented updates in their respective jurisdiction;
- c. Continuous dissemination of information and weather advisory regarding STS "ULYSSES" to, SPDRRMC Member/LDRRMOs, public and concerned person thru social media, INFOBOARD and INFOSYS;
- d. Continuous monitoring and coordination with DRRMOs of status of Cadac-an rivers and other rivers within the province, coastal areas, flooded prone areas and other associated hazard which may be triggered of the continuous rains;
- e. Continuous monitoring the condition of all evacuees in the evacuation center;
- f. Ensured clear lines of communication with all DRRMOs for updates and coordination processes.
- g. Coordinated with all LDRRMOs on their situational report for consolidation.
- h. Ensured that DRRMOs are closely coordinating with all barangay officials in the monitoring its respective AOR.
- i. Reminded all LDRRMOs to abide the maximum health protocols in the Quarantine facility and or evacuation center.
- j. Activated the Emergency Operation Center (EOC).
- k. Coordinated with electric power providers for updates considering the presence of STS "ULYSSES".
- l. Prepositioned relief goods and soft kitchen for possible distribution to affected communities and strandeers.
- m. Consolidated situational reports from DRRMOs.
- n. Issued memorandum order to Preparedness/Response Cluster SPDRRMC, C/MDRRMC.

- o. Issued the Executive Order No. 71-2020, “Providing for Guidelines in the Event of Typhoon Forecasted to affect the Province of Sorsogon, Amending Executive Order No 36-A-2020, and for other purposes”; Provincial Ordinance No. 47-2019, “An Ordinance Authorizing the Pruning or Cutting of Trees and other Vegetation that Reach any Transmission Line or Edge of any Road, Alley, Street or Building for Public use in the Province of Sorsogon where in Section 5 provides the “Inventory and Risk Assessment of Hazardous Trees”.

CDRRMC Naga

- a. Deployed task forces with 15 personnel each and with engine and rescue team, preemptive evacuation is on going.
- b. Activated Incident management team and emergency operation center .
- c. Conducted pruning of trees and clearing of drainage and water ways
- d. Conducted preemptive evacuation in low lying areas.
- e. Continuous monitoring of flood prone barangays.
- f. Disseminated information and timely weather updates.
- g. Convened CDRRMC for an emergency/PDRA meeting.
- h. Ensured the availability of standby capacities (rescue equipment, rescue vehicles on standby, search and rescue team 24-hour duty)-prioritize repositioning of supplies and equipment for response.
- i. Activated the EOC.
- j. Disseminated pertinent weather information and evacuation center information.

7. RDRRMC VI

DSWD VI

- a. Placed all QRT members on standby and ready for augmentation if needed, following the new normal protocols of the agency.
- b. Issued a total of 150 vests, 50 GO bags, 50 survival bags, and 50 sleeping kits to QRT members in the region and field staff.

8. RDRRMC VIII

OCD

- a. Sent memorandum to R/LDRRMCs on the submission of preparedness measures including the updates of evacuation centers and directory of DRRMOs.
- b. Conducted PDRA meetings on 10 November 2020.
- c. Activated BLUE alert status.

DSWD VIII

- a. Prepositioned a total of 10,400 FFPs in strategic areas in the region.
- b. With available standby funds amounting to ₱3,194,543.00.
- c. Prepositioned FFPs in Samar Island shall be distributed immediately by the P/C/MATs to LGUs that need augmentation support.
- d. Placed all QRT members on standby and ready for augmentation.
- e. Ensured the availability of family food packs and non-food items as need arises.
- f. Prepositioned the following:
 - 10,370 FFPs amounting to ₱5,329,450.26
 - FNIs: Kitchen Kits – 91 sets, Sleeping Kits – 49 sets, Malong - 3,575 pcs.
 - Standby funds amounting to ₱3,194,543.00

DILG VIII

- a. Attendance to the RDRRMC PDRA meeting.
- b. Issued advisory to all local chief executives to monitor TY “ULYSSES”.
- c. Issued memorandum to field officers to disseminate advisory to all LGUs and advise them to implement actions per LISTO protocols.
- d. Issued advisory No. 2 advising LGUs to take preparedness measures following LISTO protocol including issuing a ban on fishing and water travel.
- e. Disseminated MGB data on flood and landslide prone LGUs and PAGASA weather advisories via email and messenger.

DOH VIII

- a. Raised Code WHITE alert re TY “ULYSSES”.
- b. Prepositioned logistics to six (6) PDOH.

DA VIII

- a. Ensured the availability of buffer stocks at the regional field office.

DTI VIII

- a. On-going monitoring of commodities.

DOST VIII

- b. Disseminated weather updates.

PNP VIII

- a. Provided assistance in the imposition of forced evacuation of residents to evacuation centers in coordination with the LDRRMC.
- b. Mobilized force multipliers in AOR particularly the Barangay Peace Keeping Action Teams (BPATs) for disaster responses.
- c. Monitored road conditions particularly major thoroughfares and provide appropriate signage/detours/alternate routes and relays to RTOC/PTOC/LDRRMC for information of the SRR teams and the public.
- d. Ensured that Police Security Assistance maintain safety and order inside Evacuation Camps.
- e. Directed all PDs/COPS to ensure their presence and to supervise the conduct of Law and Order operations in the affected areas.

Coast Guard District Eastern Visayas

- a. Organized DRG teams, CMA floating assets and mobility.
- b. Prepared peculiar equipment for possible deployment.
- c. Ensured timely declaration of suspension of trips.
- d. PCG Catbalogan suspended/cancelled sea travels.

PDRRMC Samar

- c. Instructed LGUs to conduct Pre-Emptive Evacuation on high risk hazard areas.
- d. Placed SRR Teams with rescue vehicles and heavy equipment on standby.
- e. Activated evacuation centers and CCCM Teams in preparation for pre-emptive/forced evacuation.
- f. Prepositioned relief goods ready for augmentation.

PDRRMC Eastern Samar

- a. Monitored weather updates, warnings and advisories and disseminated the same to LGUs through their MDRRMOs.
- b. Disseminated MGB List of LGUs and barangays susceptible to flooding and landslide.
- c. Activated the EOC, ICS and ERTs,

- d. Prepositioned relief goods ready for augmentation.

PDRRMC Southern Leyte

- a. Assisted in the dissemination of DILG Advisory re the weather disturbance to all DRRMOs.
- b. Identified evacuation centers for vulnerable/affected families.
- c. Advised fisherfolks not to venture out at sea to avoid untoward maritime incidents.
- d. Conducted widest dissemination of weather advisories via Tri-Media outlets, social media and radio communication volunteer groups.
- e. Advised LDRRMCs to undertake precautionary measures and submit their actions taken to Regional EOC.

CDRRMO Ormoc

- a. Conducted PDRA with CDRRMC.
- b. Placed all response personnel and equipment are on standby.

MDRRMC Tomas Oppus

- a. Convened LDRRMC upon receiving the severe weather bulletin.
- b. Reviewed LDRRMC Contingency Plan and Hazard Risk Maps.
- c. Conducted PDRA and prepared appropriate response plan.
- d. Organized Response teams and monitoring and reporting team.
- e. Conducted inventory of supplies, equipment and stockpile of goods.
- f. Disseminated public warnings thru established warning systems and weather bulletin especially to families in identified danger zones.
- g. Issued prohibition of sea travels and crossing rivers and deep waters.
- h. Secured communication, power, and water supply.
- i. Deployed barangay health workers and volunteers to provide medical, psycho-social and spiritual counselling to the evacuees.
- j. Placed all assets on standby.

9. RDRRMC CAR

OCD CAR

- a. Conducted PDRA via VTC on 09 November 2020.
- b. Issued RDRRMC Memorandum No. 62 dated 09 November 2020 re Heightening of Alert Status of the Cordillera RDRRMC EOC and RDRRMC Memorandum No. 62 dated 10 November 2020 re Preparedness Measures for the Possible Effects of Tropical Storm, "ULYSSES" and other Weather Disturbances in the Cordilleras.
- c. Continuous coordination with the Local Disaster Risk Reduction and Management Councils (LDRRMCs) and council members of the Cordillera RDRRMC on the following concerns:
 - Monitored incidents
 - Local weather situations/status
 - Road networks conditions
 - Alert status of LDRRMOs and council members
 - Other disaster related reports/incidents.
- d. Coordinated with member-agencies like PAGASA Baguio Synoptic Station and DPWH-CAR and continuously sending advisories to the public, LDRRMCs and member-agencies of the Cordillera RDRRMC.
- e. Lead the information campaign and issuance of advisories through text blast and social media.

- f. Partnered with the Peoples' Television – Cordillera (PTV-CAR) relative to continuous airing of Emergency Broadcast System disseminated to the general public through digital TV applications and online platforms.
- g. Issued Memo No. 62 s. 2020, Heightening the Alert Status of the Cordillera RDRRMC Emergency Operations Center (EOC) for the Possible Effects of the Tropical Depression ULYSSES and Northeast Monsoon (Amihan)// Tail End of a Cold Front (TECF) in the Cordilleras.
- h. Issued Memo No. 63 s. 2020, Preparedness Measures for the Possible Effects of the Tropical Depression and Northeast Monsoon (Amihan)// Tail End of a Cold Front (TECF) in the Cordilleras.
- i. Issued Memo No. 65 s. 2020, Conduct of Rapid Damage Assessment and Needs Analysis (RDANA) for TY ULYSSES affected areas,
- j. Issued Memo from the Chairperson, Cordillera RDRRMC and RD, OCD-CAR, to call for a press conference on the effects and actions taken for Severe Tropical Storm (formerly Typhoon) ULYSSES in the Cordilleras.

DOST-CAR

- g. Continuous monitoring and maintenance of Community-Based Flood Early Warning Systems (CBFEWS) in coordination with LGUs and DOST-ASTI.

PAGASA Baguio Synoptic Station

- a. Continuous monitoring of the area of responsibility and providing weather updates, advisories, and forecasts for dissemination.

DILG CAR

- a. Issued an advisory to all DRR-CCA Focal Persons, DILG Provincial Offices and Provincial DRR-CCA Focal Persons on weather disturbances.
- b. Instructed all DILG FOU's to take proactive measures and directed all LGUs to monitor all PAGASA weather advisories and bulletins, and use the Met-Hydro Decision Support InfoSystem (Meteopilipinas), drmmis.dostcar.ph, ASTI's Philsensor website, MGB's Geohazard Web Portal, and HazardHunterPH (to check for natural hazards and hazard assessment reports)
- c. Disseminated all available information to all concerned DILG FOs regarding the weather disturbances through texts and emails.
- d. Ensured the utilization of Oplan LISTO manuals by the LGUs/LCEs.

DSWD CAR

- g. DSWD FO CAR ensured the availability of food and non-food items for augmentation to the Local Government Units in times of disaster.
- h. Placed all Provincial SWAD Teams on Alert.
- i. Continuous monitoring of weather situation and advisories-rolled out 3-day Rainfall Forecast to Provincial SWAD Teams.
- j. Ensured Quick Response Teams are on standby for possible augmentation
- k. Prepositioned Relief Resources (FNIs) in the Regional Warehouse.
- l. Ensured for the availability and necessary use of standby funds and readiness of transport vehicles.
- m. Prepositioned 11,686 FFPs amounting to ₱5,329,450.26; 1,013 FNIs; and standby funds amounting to ₱3,206,400.00
- n. Operations Center is currently on RED ALERT to monitor the effects of TY ULYSSES.
- o. DSWD FO CAR is close coordinating with CDRRMC for updates.

DPWH CAR

- a. Disseminated information relative to the status of road networks.

- b. Continuous monitoring of the national (essential) road networks and bridges situations in the Cordillera region through DPWH District Engineering Offices (DEOs).
- c. Continuous sending of situational reports on national roads and bridges to the Cordillera RDRRMC EOC.
- d. Participated in the Regional PDRA conducted through a Video-Teleconference on 09 November 2020.

DICT-LCI

- a. Ensured the provision of free public Internet access in public places to augment emergency communication in various communities within the Cordillera.
- b. Continuous monitoring, operations, and maintenance of Regional Government Network in Baguio City.
- c. Telecommunications and broadcast services are currently reported as operational. However, some DICT free WIFI for all sites in Benguet and Mountain Province are currently down due to STS ULYSSES.

DepEd CAR

- a. Coordinated with Local DRRMCs on the conduct of preparedness activities on response needs, among others.
- b. Placed on heightened alert and continuously monitor the AOR with rapid damage assessment teams on stand-by.
- c. Coordinated with LGUs for possible conversion of school facilities as Evacuation Centers.
- d. Conducted hazard assessment for flooding and landslide safety.
- e. Constant monitoring of the suspension of classes (including online classes) within the Region.

DA CAR

- a. Monitoring and relay of PAGASA weather advisory and early warning to DA APCOS for dissemination to partner LGUs and farmers for their urgent preparations: to harvest crops already matured and make necessary cleaning and repairs of irrigation canals, storage warehouses and production facilities reminding that ventilations should be closed; wind brakes and house bands of greenhouses be tightened to prevent entry of strong winds damaging structures.
- b. Reactivated the DA-Emergency Operations Center
- c. Continuous monitoring of supply and prices of prime agricultural commodities
- d. Continuous monitoring of standing crops by commodity and by crop growth stages as basis in the computation in case there are damages and losses thus avoiding bloated report.
- e. Continuous daily monitoring and tracking of storm updates released by PAGASA for dissemination to the APCO's, LGU partners, and farmers.
- f. A total of 6,228 farmers are affected in the region with 9,825.55 hectares affected; equivalent to about 4,783.61 metric tons of production loss or ₱73,549,372.92.

DOH CAR

- a. Continuous monitoring of uneventful health and health-related incidents, in close coordination with the Cordillera RDRRMC EOC.
- b. Activated the 24/7 operation of the Emergency Operation Center – for Non COVID and other concerns and Cordillera One Hospital Command Center – for COVID concerns.

- c. Ensured the adequacy of prepositioned logistics and buffer stock to the Provincial Department Offices (PDOHOs) such as CAMPOLAS Kit, Hygiene Kits, First Aid Kits, WASH Commodities (Disinfectants, chlorine granules, aquatabs), and PPEs.
- d. Ensured the adherence to COVID-19 minimum health standards at all times.
- e. Intensified health promo campaigns through BIDA Solusyon and distributed risk communication materials.

DENR CAR

- a. Continuous monitoring of trees (dead or alive) which poses danger for possible cutting.
- b. Continuous coordination with local counterparts, electric cooperatives, and other stakeholders for monitoring and possible augmentation.

MGB CAR

- a. Issued the updated list of barangays in CAR that are susceptible to landslide and flooding based on the 72-hour model of PAGASA.
- b. Issued landslide and flooding threat advisories to all PDRRMOs and MDRRMOs.

PROCOR

- a. Activated the PROCOR IMPLAN 13-2018 PROCOR Disaster Risk Reduction and Management Plan (Revitalized SAKLOLO).
- b. Placed the PNP PROCOR personnel and capabilities/resources on standby ready.
- c. Ensured on the on-call anytime to extend assistance or response in case of emergencies and other eventualities.
- d. Conducted inventory of SAR equipment.
- e. Sent memorandum to lower units to coordinate with their respective local MDRRMCs.
- f. Coordinated with the Cordillera RDRRMC EOC and on stand-by mode for possible disaster operations, deployment, and augmentation.

BFP CAR

- a. Coordinated with the Cordillera RDRRMC EOC and on stand-by alert mode for possible disaster operations, deployment and augmentation.
- b. Activation of Oplan Paghalasa (Paghahanda Laban sa Sakuna) in anticipation of a worst-case scenario.

Cordillera RIMT

In close coordination with the Cordillera RDRRMC EOC and on stand-by alert mode for possible disaster operations, deployment, and augmentation.

PIA- CAR

Continuous information dissemination on safety tips, public advisories, and road alerts in close coordination with the Cordillera RDRRMC EOC.

NTC CAR

- a. Placed on standby for possible augmentation.
- b. Placed the communication groups on standby for possible mobilization.

NAPOCOR/ Dams Mgmt.

- a. Continuous monitoring of dam levels and issuance of appropriate warnings to the possible affected communities in cases of spilling operations.

BENECO Inc.

Continuous issuance of news, updates, and notices of scheduled power interruptions and in close coordination with Cordillera RDRRMC EOC on other related concerns.

NGCP

- a. Continuous issuance of news, updates, and notices of Scheduled Power Interruptions and in close coordination with Cordillera RDRRMC EOC re related concerns.
- b. Ensured the reliability of communications equipment, availability of hardware materials and supplies necessary for the repair of damages to facilities, as well as the positioning of line crews in strategic areas, to facilitate immediate restoration work.

AFP

- a. Placed on heightened alert and continuously monitors the AOR.

Tactical Operations Group 1 (TOG 1), PAF

- a. Placed on standby for possible response augmentation.
- b. Supported the conduct of Rapid Damage Assessment and Needs Analysis through aerial survey.

14th CAR RCDG, ARESKOM, PA

Placed on heightened alert and continuously monitor the AOR.

503IBDE, 5ID, PA and Naval Forces Northern Luzon (NFNL), PN

Placed on standby for possible response augmentation.

PDRRMC Abra

- a. Maintained the RED alert status of the Provincial DRRMC for continuous monitoring of COVID19 and weather disturbance.
- b. Heightened alert status to ensure the readiness of response teams in case of any untoward incident within the AOR.
- c. Continuous monitoring of municipalities and barangays along Abra River Basin and other flood-prone areas.
- d. Placed SAR equipment and personnel on standby.
- e. Disseminated information through radio and social media.

DILG - Abra

- a. Disseminated weather updates all LGUs in the province through the issuance of advisory.

- b. Placed personnel on standby and advised all agencies concerned to be on alert for possible augmentations.
- c. Consolidated reports from the different MDRRMOs.
- d. Placed all Municipal DRRM Offices on high alert and volunteers on standby/on call.
- e. Activated the disaster monitoring and reporting system and ensured the dissemination of regular weather update through SMS.
- f. Prepositioned rescue equipment and food supplies.
- g. Continuous monitoring of risk areas, and coordination and preparation of designated evacuation center.
- h. Mobilized backhoes and loaders to the landslide areas.
- i. Conducted pre-emptive evacuation of individuals near landslide prone area and flood area.
- j. Recorded a total of 46 available evacuation centers in the province of Mt. Province.
- k. Coordinated with DILG Operations Center regarding the MLGU's implementation of Operation Listo

DILG – Mountain Province

- a. Ensured the widest dissemination of weather advisories to all municipalities through MLGOOs email addresses.

10.RDRRMC NCR

OCD NCR

- a. Conducted PDRA meeting on 10 November 2020.
- b. Issued MMDRRMC Memo No. 85 re Conduct of pre-emptive and forced evacuation in preparation for TS "ULYSSES".
- c. Continuous dissemination of weather advisories and updates via email, viber, busybee, and social media.

DILG NCR

- a. Shared DILG CODIX Critical Cyclone Track Chart for TS “ULYSSES” as of 11:00 AM.
- b. Provided updates to LGUs through DILG FOs on TS “ULYSSES”.
- c. Informed the 17 LGUs in NCR to take the necessary preparedness actions, based on Operation LISTO and COVID19 protocol, including the implementation of pre-emptive evacuation and/or forced evacuation if necessary.
- d. Removed lanterns in their AOR.
- e. Advised business owners to roll up tarpaulins and billboards.
- f. Issued public advisory via public address system to all barangays and social media.
- g. Continuous conduct of hourly posting of weather forecast and advisory.

DSWD NCR

- a. Prepositioned 500 FFPS, and non-food items for augmentation to LGUs.
- b. Continuous provision of Disaster Assistance Family Access Card to requesting LGUs.
- c. Placed QRT on standby.
- d. Established EOC located at Sampaloc, Manila.

MMCHD

- a. Continuous monitoring of health events and reporting agencies for updates on weather disturbance.
- b. Close coordination with LGU HEMS, DRRMOs and hospitals.
- c. Advised all District team leaders to monitor any untoward events in their respective areas of jurisdiction.
- d. Placed medical teams, WASH, Nutrition teams and Psychosocial Support teams on standby.
- e. [Provided two \(2\) generator sets to Amang Rodriguez Medical Center.](#)
- f. [Conducted site visit and distributed assorted medicines especially Doxycycline in San Juan City Muntinlupa City](#)

CDRRMC Makati City

- a. Raised alert status to Blue.
- b. Checked condition of the SAR personnel and functionality of their equipment and vehicle.
- c. Deployed Patrol Vehicles to monitor flooded areas.
- d. Alerted Makati CPS personnel for possible deployment at evacuation sites and flooded areas.
- e. Ensured the availability of fire rescue and medical personnel, apparatus and auxiliary units in strategic locations.
- f. Directed all fire sub-stations to report any untoward incident to Operations Section and Communication Unit.
- g. Placed on standby personnel and vehicles of the Public Safety Department to assist stranded motorists.
- h. Maintained its BLUE alert status from TS “TONYO” to TY “ULYSSES”.
- i. Deployed Mobile Patrol Vehicles to monitor flooded areas.
- j. Alerted Makati CPS personnel for possible deployment at evacuation sites and flooded areas.
- k. Placed the Disaster Response Team (DRT) on standby.
- l. BFP ensured the availability of fire rescue and medical personnel, apparatus and auxiliary units in strategic locations.

- m. Placed LGU, SWAT and other rescue personnel along with rescue equipment, rescue vehicles and heavy equipment vehicles (6 engineering and 3 boom trucks) on standby.
- n. Issued a directive to billboard owners to bring down all billboards in Makati City.
- o. Deployed water search and rescue equipment.
- p. Prepared 524 packs of relief goods and 12 evacuation tents.
- q. Continuous dissemination of weather advisories.

CDRRMC Taguig City

- a. Conducted assessment/inspection at flood prone areas in Hagonoy and at landslide areas in NDH.
- b. Conducted PDRA for CDRRM Council members with the presentation of the city meteorologist on the typhoon hazards and impact to the communities.
- c. Ensured MMDA flood control to closely monitor the water level.
- d. Alerted all emergency front liners for possible effects of the typhoon.
- e. Continuously monitor the weather disturbance.
- f. Coordinated with the different agencies and offices concerned.
- g. Prepositioned rescue equipment and placed emergency responders on standby for possible rescue operations

CDRRMC Caloocan City

- a. Conducted Pre-Disaster Risk Assessment regarding the effect of Tropical Storm "ULYSSES".
- b. Caloocan City Alert and Monitoring Center and Caloocan DRRMO Responder raised its alert status to Red alert status on 11 November 2020.
- c. Continuous monitoring of weather advisories through the PAGASA website.
- d. Disseminated information such as weather advisory through social media.
- e. Provided weather updates to BDRRMCs and CDRRM members.
- f. Placed all city responders/response cluster on standby alert.
- g. Advised BDRRMCs to monitor its AOR, especially the barangays in low-lying areas for the possible effect of Tropical Storm "ULYSSES".
- h. Advices bill board owners to roll up their billboards,
- i. Conducted the removal of lantern and tent all over the AOR.
